INFO

Dear Members:- السلام عليكم

June 18, 2019.

For the first time in Pakistan, Embry-Riddle Aeronautical University is conducting (an online, interactive, virtual classroom environment) course on Graduate Certificate in Aviation starting 13th July 2019, at the PIA Training Centre.

The entire course is designed to be completed in about eight months (Saturdays only) with two sessions of 2.5 hours each (Pre & Post lunch). This program is structured for managers and leaders in the aviation industry and has a condensed curriculum that concentrates on the practical application of core concepts studied in the MBA (Aviation) program.

The following core courses are covered in Graduate Certificate in Aviation program:

- Airport Management
- Applied Economics in Aviation
- Air Carrier, Passenger and Cargo Management
- Global Logistics and Supply Chain Management
- Aviation Applied Finance
- Production & Procurement
- Strategic Marketing Management
- Human Factors in Aviation

The fee for each course shall be Singapore \$ (S\$) 750.00. Thus, the total for eight courses shall be S\$ 6,000. Candidates who pay upfront can earn a 10% discount, whereby the total payment will be S\$ 5,480/- only. As seats are limited, an early registration is advised.

For any question or clarification, please contact Dr. Wali Mughni, Regional Representative and Facilitator Embry-Riddle Aeronautical University, USA. You may reach him at +92 321 897 9014 (also on Whatsapp), or MughniW@erau.edu.

With Best Regards,

Capt. Ali Mansoob
